

# Brivo Onsite 1.4.0.4 Release Notes

This patch release addresses a bug fix.

---

08/02/2018

## Fixes

We fixed an issue where a Datasync call (retrieve\_user) was not returning the correct output (external\_ID).

Please contact Brivo Technical Support 866.692.7486, option 3, should any problems occur during the upgrade.
